BE IT ORDAINED By the Chairman and Board of Trustees of the Village of Dietrich, Idaho:

Section 1: No person or corporation shall use or maintain a well within the Village of Dietrich for the deposit of sewage or garbage, provided, however, that cesspools or dry wells not exceeding 100 feet in depth may be used for the drainage of purified water, discharged from properly constructed and maintained septic tanks of sufficient size and capacity and so built and maintained to at all times amply accomodate and insure the purification of the contents thereof before same is discharged into any such well within the Village of Dietrich.

Section 2: Every privy vault, commode, cesspool, water-closet or other receptacle whatever of human excrement, (garbage or sewage) within the limits of this village which shall be found in an overflowing, full of filthy, insecure or defective condition or to rise within two feet of the surface of the ground, or which is dangerous or detrimental to the public health, shall be deemed a nuisance, and any person, firm or corporation maintaining same shall be deemed guilty of maintaining a nuisance.

Section 3: No person, firm or corporation shall use or maintain any cesspool within the Village of Dietrich without having the same securely and tightly covered by at least one foot of earth.

Section 4: It shall be unlawful for any person who is the owner or occupant of any house, store building or premises, to construct, use, keep or permit to be on such premises, any out house, toilet or cesspool in such condition as to cause a noisome or offensive smell or become a nuisance.

APPROVED AND PASSED by the Chairman and Board of Trustees of the Village of Dietrich, Idaho this 1 day of August, 1948.

Walter F. Fisher
Chairman of Board of Trustees
of Village of Dietrich, Idaho

Attest:

Kent Gage
Village Clerk.
