Conditions of Approval:

1. R05 Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 130.
2. 046 Right holder shall comply with the drilling permit requirements of Section 42-235, Idaho Code and applicable Well Construction Rules of the Department.
3. 124 Place of use is within the service area of the City of Dietrich municipal water supply system as provided for under Idaho Law.
4. 172 The boundary encompassing the place of use for this water right is described with a digital boundary as authorized by Idaho law. The data comprising the digital boundary are stored in the electronic document management system of the Department and are incorporated into this approval by this reference. A map depicting the place of use is attached to this approval document to illustrate the place of use described by the digital boundary.
5. 213 Upon specific notification of the Department, the right holder shall install and maintain data loggers to record water usage information at the authorized points of diversion in accordance with Department specifications.
6. 214 Prior to the diversion and use of water under Transfer approval 78013, the right holder shall install and maintain acceptable measuring devices at the authorized points of diversion in accordance with Department specifications, or shall obtain an approved variance from the Department to determine the amount of water diverted from power records or to maintain an existing measuring device.
7. T07 The right holder shall accomplish the change authorized by this transfer within one years
